Graduates:

You, the last ninth grade at the Belmonte Saugus Junior High School, are about to encounter a new experience -- becoming a student in the new world of Saugus Senior High School. You are looking forward with anticipation, a spirit of adventure, and excitement. You are perhaps uneasy about the new responsibility you will face. These feelings are all quite natural.

Having completed the first major portion of your formal education, each of you has some idea of what it takes to be successful. You are at the beginning of a new era in your lives and have every reason to be confident and hopeful of success at Saugus Senior High.

Do your best, be serious about your future work and above all have confidence in your ability to succeed.

Best wishes,

Anthony A. Struzziero
